After the War

YOU will be needed. President Wilson has said that Trained Leadership will be urgently needed in Industrial and Commercial Life. Men who have carefully studied the question say that on account of the tremendous demands from factories for all kinds of products which are now being allowed to fall short, office forces must be increased, and boys and girls with Business Training will be more in demand than ever before.

ARE YOU GETTING READY? New desks, chairs, and other equipment have been added; our Faculty strengthened by another instructor; many new students will enter at our new opening.
